How to Measure Your Spa

To perfectly measure your spa for its new custom cover, follow these five easy steps:

1. Print this form. You will use it to record your dimensions.
2. Choose your spa shape from the options below.
3. Measure your spa in the dimensions indicated in the shape diagram and enter them into the spaces provided. Always measure the outside or widest part.
4. Choose your fabric color.
5. Use this completed form to complete our online ordering form.

Please remember to complete your purchase with PayPal. Please remember to use the same email address for your payment and your order. Your email address is your customer ID.

Please call us if:

- Your cover measures larger than 96" in any dimension.
- Your cover has special cutouts for speakers, handrails or special requirements.
- Your cover shape is not shown.
- If you have a hot springs tub and need lifter brackets installed in your cover.

If you know your spa manufacturer and model, please enter it here:
